Scan Individual Number Card

Take a picture of identification document and selfie

- Driver's license
- Individual Number Card (if it cannot be scanned)
- Health insurance (your current address must be indicated on the back)

You cannot scan your Individual Number Card if any of the following applies. Please select "Take a picture of identification document and selfie."

- You do not have an NFC compatible smartphone.
- You do not know your password for the electronic certificate of the bearer's signature that you registered when you registered your Individual Number Card.
- You only have a smartphone that is already logged into the PayPay Bank app.
